

**STAGECOACH CROSSING  
Home Owners Association**

**MINUTES OF MEETING**

October 11, 2006

Meeting called to order at 6:00 pm with John and Val Ziolkowski, Don and Susan Hulinsky, and Mike McQuarrie in attendance.

The Board reviewed and accepted the minutes from the September meeting and moved on to business.

**OLD BUSINESS**

Don and Mike attended a County Board meeting regarding the 1/2 mile of road just before the Stagecoach Crossings subdivision that is not maintained. The county will not maintain it and suggested we form a 'road district' with the land owners along that stretch of road. We will look into it further.

No hunting and no trespassing signs were posted at the entrance to the subdivision at no cost to the owners. The possibility of erecting a message board there is still being considered.

**NEW BUSINESS**

Post Office box re-newal fee of \$40.00 for one year is due. Board approved payment to be paid.

Question concerning who is responsible for removing the downed trees at the new Forest Service road/access was discussed.

With no further business to discuss, John Ziolkowski moved the meeting be adjourned and was seconded.

Meeting was adjourned at 7:00pm.

These minutes are an accurate account of the October 11, 2006 meeting of the Stagecoach Crossings Home Owners Association Board of Directors

Signed \_\_\_\_\_

Mike McQuarrie, Secretary/Treasurer
