

Stagecoach Crossings Homeowners Association
Board of Directors Meeting
31 March 2018

Present: Beth Paulson, Gary Fellows, Mike Foos

Call to order: 10:30 AM

Election of Officers: The officers for the coming year are:

Gary Fellows – President

Mike Foos – Secretary and VP

Beth Paulson – Treasurer

Annual dues to the homeowners association are due by April 1. As of today dues have not been received from 5 members. Near the end of next week, permitting time for last minutes submissions, we will send letters of reminder to those who have not paid their dues.

The Board took several minutes to review the activities of the homeowners association of the past years to consider issues that may be ongoing. Over this year we will work toward having more clearly documented records.

The Board discussed web server options. Our current web page is located on a wiki site that is closing at the end of the year. We will review various companies to find a web server that will be a good web host for us.

Our next regularly scheduled meeting will be in September. We will confer by conference call to determine the specific date and place at a later time.

The neighborhood picnic is scheduled for July 8 at the home of Gaylen and Lois Bendewald. The homeowners' association will cover the cost of the main course and incidentals required for the party. Members attending will pitch in with their own selections of food and drink.

Adjourn: 12:35 PM
